## Ice Breaker Party, June 20, 2015

Sailor, there's no need to feel down  
I said Sailor, pick yourself off the ground  
I said, Sailor, 'cause you're at Deep Creek Lake  
There's -no -need -to -be- un-happy

Sailor, there's a boat we have found  
I said Sailor, when there's ice all around.  
I said Sailor, and I'm sure you will find  
Many -ways -to -have -a -good -time.

Bomp Bomp Bomp Bomp Bomp

It's fun to sail with the D.N.S.A.  
It's fun to sail with the D.N.S.A.

There is frigid cold ice, that makes winter time joy  
You can hang out with all the boys.  
It's fun to sail with the D.N.S.A  
It's fun to sail with the D.N.S.A

You can scare yourself clean, you can have a good thrill,  
and sail in -the- win-ter -chilllll.

Sailor, are you listening to me?  
I said, Sailor, where would you rather be?  
I said, Sailor, you can make real time speed.  
But you -got- to- know -this- one -thing!

No one, Ice Sails all by himself.  
I said, Sailor, put your pride on the shelf,  
And just Ice Sail, with the D.N.S.A.  
I'm -sure -they -can -help- you- to-day

Bomp Bomp Bomp Bomp Bomp

It's fun to sail with the D.N.S.A  
It's fun to sail with the D.N.S.A

There is frigid cold ice, that makes winter time joy,  
You can hang out with all the boys  
It's fun to sail with the D.N.S.A  
It's fun to sail with the D.N.S.A

You can scare yourself clean, you can have a good thrill,  
and Sail -in -the- win-ter -chilllllll...

Sailor, I was once in your shoes I said,  
I was, down and out with the blues.  
I felt, no wind, was here on my side  
I felt -wind -was -just -one- big -jibe...

That's when someone told me to go  
I said Sailor where there's nothing but snow  
You can Ice Sail, without a delay  
They -can -start -you -back -on -your -way.

Bomp Bomp Bomp Bomp Bomp
